Abseiling the Cathedral Tower - Saturday 03rd August 2019

Help! I'm going to abseil down the tower of St Asaph cathedral on 03rd August. It's all in aid of two local charities – **Tŷ Gobaith**, the children's hospice in the Conwy valley, and **St Asaph Parish Church restructuring project**. Proceeds will be divided 50:50.

Tŷ Gobaith Children's Hospice (www.hopehouse.org.uk) offers a range of services including respite and end-of-life care, support and counselling for families, and does a completely wonderful job.

St Asaph Parish Church (www.stasaphchurch.org.uk) is embarking on major restructuring to make it available to the people of St Asaph and beyond as a centre for community activities as well as being the parish church.
