

Sunday 3 November 2024

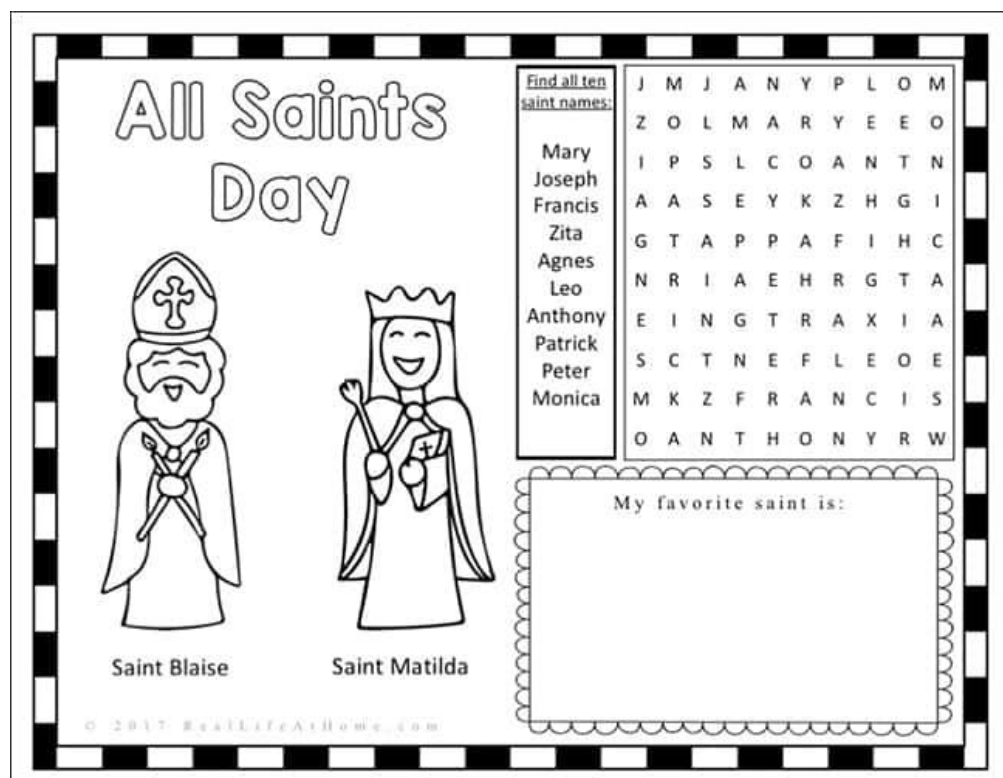

Today we are celebrating All Saints Sunday. Jesus taught us that his love is stronger than anything, even than death. All Saints' Tide gives us the opportunity to remember his Superheroes – the Saints – who shine with his love and light and who show that, with Jesus, good wins over bad every time.

Jesus said, “I am light for the world” and the Saints we celebrate are people who have shone with the light of Jesus, or who have reflected the light of Jesus over the centuries since he lived on earth.

A prayer for this week:

Loving Father, help us to remember your Son Jesus Christ taught us that your love is stronger than anything. May we shine with your light in the world. Amen.

Even though we celebrate All Saints' Day one day a year, we can learn about saints and try to be more like them every day! We can also pray and ask the saints in Heaven to pray for us. We should work hard and be holy so that we can be saints one day too!
